Sponsorship Opportunities

Champion the Role of National CSIRTs

The CERT® Division of the Software Engineering Institute (SEI) recognizes the challenges Computer Security Incident Response Teams (CSIRTs) with national responsibility (NatCSIRT) face. We believe in providing mechanisms, such as the Annual Technical Meeting for National CSIRTs, to help them cooperate and collaborate.

The CERT Division is hosting NatCSIRT 2027 where organizations responsible for protecting the security of nations, economies, and critical infrastructures gather to discuss global cybersecurity.

Although exchanging information is important, it alone is not sufficient to overcome cyber threats. It is vital for National CSIRTs to form relationships that enable them to together identify and solve the problems they share.

NatCSIRT meeting attendees include incident analysts and responders, vulnerability analysts, tool developers, and team leads who represent more than 55 countries.

At NatCSIRT meetings, discussions are participant-driven and often focus on current issues, tools, and methods. To ensure trust and open discussions, these invitation-only meetings are restricted to representatives from recognized National CSIRTs.

You can demonstrate your commitment to the National CSIRT community by being a sponsor of NatCSIRT 2027. By sponsoring this event, you will be recognized as one of its key supporters and a proponent of its larger cause.

Many National CSIRTs attend these meetings searching for cybersecurity tools, training, and technology. Make sure they know who you are and how you can help them.

We offer several levels of sponsorship for a range of events, including the meeting's reception and breaks. Benefits can include your logo on our website, printed program, event signage, meeting poster, and more.

See the following sections to learn more about sponsorship and to apply for particular sponsorship opportunities.

Contact us at **natcsirt-meeting@cert.org** if you have questions about NatCSIRT meeting sponsorship.

1. All sponsorships will be awarded on a first-come, first-served basis. SPONSORS need to be committed to computer security improvement, concerned about the security infrastructure of the Internet and associated communications elements and be supportive of FIRST's mission to participate in this conference as a SPONSOR. FIRST retains the right to reject any sponsor that it deems inappropriate.
2. After written acceptance by FIRST, the SPONSOR must provide logo files and other details required (such as correct use of the sponsor's name, trademarks, etc.) to FIRST within 30 days of receipt of acceptance.
3. Sponsorship agreements cannot be processed without payment. Funds must be payable in US dollars. All checks should be made payable to FIRST. SPONSOR shall be responsible for any taxes on the sponsorship fee.
4. Sponsorship may be cancelled by SPONSOR by written notification to FIRST up to 60-days prior to the EVENT start date. A sponsorship cannot be cancelled after that date because FIRST incurs the cost of printing and other sponsorship recognition and loss of sponsorship. If notification of cancellation is received within 60-days of the EVENT start, FIRST will attempt to revise sponsor recognition items as feasible and FIRST shall be entitled to retain 100% of the sponsorship fee as damages.
5. Should any unforeseen event that is beyond the control of FIRST render the fulfillment of this agreement by FIRST impossible or impractical, FIRST may return a portion of the amount paid for the sponsorship after deduction of any amounts necessary to cover expenses incurred in connection with work performed on production of the EVENT prior to the occurrence of the unforeseen event. Such expenses shall include, but not be limited to expenses incurred by FIRST as a result of contracts with third parties for services or products connected with the EVENT, including out of pocket expenses and overhead expenses attributable to production of the EVENT. No funds will be returned should the dates or location of the show be changed by FIRST, but the sponsorship benefits will be applied to the EVENT that is held at the changed location and/or changed date. FIRST shall not be financially liable in the event the show is interrupted, canceled, moved, or dates changed except as provided herein.
6. The sponsorship fee does not include free EVENT registration unless specifically stated in the sponsorship opportunity details.

8. Accommodation costs are not included in the conference registration fee. Attendees are responsible for making their own lodging arrangements.
9. All sponsorship materials must be submitted 60-days prior to EVENT start date to ensure inclusion in the production schedule. Sponsorship requests after this date may still be accepted with caveats.
10. SPONSORS may not sublet, assign, or apportion any part of the item(s) sponsored nor represent, advertise, or distribute literature or materials for the products or services of any other firm or organization except as approved in writing by FIRST.
11. FIRST will not be liable for damage or loss to a SPONSOR'S properties through fire, theft, accident, or any other cause, whether the result of negligence or otherwise.
12. No part of an exhibit and no signs or other materials may be pasted, nailed, or otherwise affixed to walls, doors or other surfaces in a way that mars or defaces the EVENT VENUE premises or equipment and furnishings. Damage from failure to observe this notice is payable by the SPONSOR.

14. At the wish of the FIRST membership, the FIRST conference program itself is not open to sponsorship. However, SPONSORS are welcome to respond to the EVENT call for speakers for consideration with other submissions.
15. Sponsorship is not limited to financial support per se, but can also take the form of provision of material hardware/software etc. Should your company be interested in sponsorship package not listed in this brochure, please feel free to contact us to discuss your preferences.
